## HOW TO BOOK...

- Find your venue (hopefully that's us).
- Confirm availability with either your Church or registrars and hold the date.
- Let us know your preferred date, we will kindly hold your chosen room for 2 weeks to make sure you have everything in place.
- Pay your £1,000 deposit, this is nonrefundable.
- We'll send you a draft contract based on your numbers of guests and initial thoughts on menus and packages.
- Let us know of any changes and tweaks, and make sure you are comfortable with the finances as this forms the minimum contracted value. You sign and then we return a copy to you.
- Depending on how long it is until your special day your next step is likely to be when we meet for you to taste your shortlist of dishes, and to chat about any other queries.
- At 6 months out from your big day we will need you to settle 50% of your final bill, and then your final payment is due when you meet a month before your big day to finalise numbers and all the fiddly bits! You will meet your master of ceremonies at this point too, so that the handover from Coordinator to them starts.
- Following this meeting we send your final function sheet for you to check we have noted all your details down and your wedding day runs exactly how you wished it too.
- Then just arrive and enjoy your big day!

All bookings are considered “provisional” until written confirmation is received by the Hotel along with a non-refundable and nontransferable deposit of £500.00. All deposits are non-refundable or transferable under any circumstances. The contract should be signed to indicate minimum value and signed by both parties. If neither written confirmation nor the signed Wedding Agreement is received by the Hotel within 14 days of verbal confirmation, the Hotel reserves the right to release the provisional booking and re-let the facilities. The deposit will be deducted from the final balance.

## 2. The Product

The “product” which The Manor Hotel sells to you, is one of an allocation of space for a period of time. It is unlike a manufactured product, in that it cannot be resold after the date of use. Therefore, if bookings are made with us and subsequently cancelled and the space is not re-let to other users, then the revenues lost are not recoverable. It is therefore necessary for us to levy cancellation charges for any bookings confirmed with us which either cancels or reduces in numbers. The Hotel will make every effort to re-let the cancelled space, and if successful, we may waive the cancellation charges. Any refunds will be at the General Manager’s discretion

## 3. Cancellation

Cancellation of a confirmed booking must be sent in writing to the Hotel. In the unlikely event that you have to cancel, you will forfeit your deposit. In addition, a cancellation fee will be charged;

12 -6 months prior to your wedding 50% of food & beverage and 50% of room hire. Less than 6 months prior 65% of food & beverage and 90% of room hire.

Less than 1 month prior 100% of all contracted charges.

WE HIGHLY RECOMMEND YOU TAKE OUT WEDDING INSURANCE TO PROTECT YOU AGAINST ANY UNFORSEEABLE CIRCUMSTANCES.

## 4. Minimum Numbers

The contracted numbers are minimum numbers and they may be increased up to and including final details meeting. Should numbers fall below minimum numbers an additional per person supplement will apply. Final catering numbers are required 1 month prior to event. If your guest numbers reduce by 10% or more below the minimum chargeable numbers for each room (as detailed in the table below) a per person supplement charge may be levied to your account. Catering numbers for evening receptions will be dictated by the event in question. A full day’s event, including the wedding breakfast will require a minimum of 80% of guests catered for. For evening events only, the total number of guests invited must be catered for.

## 5. Payment Terms

Once your deposit has been paid, you will then be required to make a pre-payment of 50% of the estimated costs 7 days after your six month appointment. Your Wedding Executive will send an invoice to you on completion of your appointment. The final balance of your wedding will be required 7 days after your final details appointment; again, Any under payment will be corrected once your wedding has taken place.
